<b>Plan USA</b> . Plan International USA has been operation in Haiti since 1973. All our offices and our staff survived the earthquake and are now assisting the population. During the first 90 days, Plan International USA will focus on water and sanitation, Shelter/Non-Food Items (including kitchen utensils, soap, etc), Food, Medical/Health and Child Protection.	<a href="https://www.planusa.org/content1188763">https://www.planusa.org/content1188763</a>  800-556-7918
<b>Project Concern International</b> has one expert on the way, along with our Country Director in Guatemala who is Haitian. We'll be likely working with Food for the Hungry and other partners on health, food, shelter issues once immediate search and rescue phase transitions.	<a href="http://www.projectconcern.org/site/PageServer">http://www.projectconcern.org/site/PageServer</a>
<b>Project HOPE</b> is shipping disaster relief supplies including bandages, gauze, tape and pharmaceuticals valued at \$170,000, and organizing additional donations and support.	<a href="http://www.projecthope.org/site/PageServer?pagename=our_work_respons_e_to_Haiti">http://www.projecthope.org/site/PageServer?pagename=our work respons e to Haiti</a>
<b>PSI</b> has been working in Haiti for more than 20 years and is now mobilizing support for the millions of Haitians affected by the devastating earthquake. Donations will help PSI and its partners provide life-saving products to clean and sanitize local water supplies along with general humanitarian relief for earthquake victims as they transition from basic	<a href="https://npo.networkforgood.org/Donate/Donate.aspx?npoSubscriptionId=1002030&amp;uniqueID=633927765220187970">https://npo.networkforgood.org/Donate/Donate.aspx?npoSubscriptio nId=1002030&amp;uniqueID=633927765220187970</a>

survival to recovery.	
<b>Relief International</b> is dispatching Emergency Response teams to Haiti. As the number of injured survivors grows and the needs mount, you can directly help provide immediate lifesaving services to women, children and elderly.	<a href="http://www.ri.org/">http://www.ri.org/</a> (800) 573-3332
Despite the serious damage sustained on their compound, <b>Salvation Army in Haiti</b> is aiding as many people as possible.	<a href="http://salvationarmyhaiti.org/">http://salvationarmyhaiti.org/</a>
As the extent of the disaster unfolds, your donation is greatly needed to allow <b>Save the Children</b> to provide urgently needed medical attention, safe drinking water, and other necessities. Right now they are assembling emergency Household kits in the Dominican Republic for transport overland.	<a href="http://www.savethechildren.org">www.savethechildren.org</a> 1-800-SAVETHECHILDREN
<b>World Relief</b> has dispatched its Disaster Response team to Haiti.	<a href="http://worldrelief.org/Page.aspx?pid=2364">http://worldrelief.org/Page.aspx?pid=2364</a>
Although all of our eight program areas in Haiti are located north of the capital city...we are saddened by this disaster and remain concerned about the Haitian people. While Port-au-Prince faces uncertainty after yet another devastating natural disaster, <b>World Neighbors</b> anticipates an enormous impact on our communities. We will address short-term needs...as well as continue our long-term development plans for Haiti.	<a href="http://www.wn.org/site/c.coIELNOsGpF/b.3885089/k.BFA2/Home.htm">http://www.wn.org/site/c.coIELNOsGpF/b.3885089/k.BFA2/Home.htm</a>
